MOVE-IN READY!

Welcome to the Oakley-our largest floorplan, thoughtfully designed to provide generous space for the whole family. Unlike many homes that sacrifice bedroom size to fit more rooms, this expansive 3,038-square-foot layout offers large, comfortable spaces throughout—from the oversized bedrooms to the impressive walk-in pantry. Upstairs, a spacious loft creates separation between the primary suite and the guest bedrooms, offering privacy and flexibility. The primary retreat features two oversized walk-in closets, while one of the guest bedrooms boasts its own en-suite bath and walk-in closet-perfect for guests or multi-generational living. On the main level, you'll find an openconcept layout that still maintains a sense of definition, creating a warm, livable atmosphere. A flex room at the front of the home provides the perfect space for a home office, formal sitting room, or cozy reading nook. The extra-deep garage offers ample room for your full-sized truck, custom built-ins, and even space to comfortably open your doors -no tight squeeze here! Step outside to enjoy a large backyard that backs to a scenic community walking trail—ideal for morning strolls or evening relaxation. To top it off, this move-in ready home includes all major appliances refrigerator, washer, and dryer—so you can settle in with ease. There's so much to love about the Oakley!
