The Oakley is one of our newest (and largest) floorplans! With over 3,000 square feet, there is no shortage of space to call your home. The Oakley offers an expansive kitchen and entertaining area on the main floor, and 4 bedrooms, an office/flex space, and a large loft on the second floor, making this is the perfect home for families of all sizes.

Photos are from a completed home of the same floor plan, therefore finishes depicted may differ from those shown.
