2,283 Finished Sq Ft. 3 Bedrooms 2.5 Full Baths 2.5 Car Garage 2.0 Stories

The **Tesla** floorplan by Hartford Homes offers a bright, modern layout designed for the way you live today. The open-concept main floor is anchored by a gourmet kitchen with a spacious eat-in island—perfect for everyday meals, casual gatherings, and entertaining alike. Thoughtful flow between the kitchen, dining, and living spaces creates a home that feels open, connected, and inviting.

Upstairs, a versatile loft provides the ideal space for a home office, media room, or cozy retreat. The private primary suite offers a relaxing escape, while two additional guest bedrooms provide flexibility for family, visitors, or hobbies. With 2,283 square feet of finished living space, the Tesla delivers the perfect balance of style, comfort, and functionality.

This home is beautifully finished with Biscotti cabinetry, Lusso quartz countertops, and Level 2 Cozy Taupe luxury vinyl plank flooring, complemented by Mesquite Falls-Twine carpet in the bedrooms. The kitchen stands out with a Geoscapes 4x16 Moss Green subway tile backsplash, while the primary bath features a 12x24 Shaw Sphinx Cream tiled shower for a spa-inspired feel. Additional highlights include Chef's Delight Induction appliances with a hood vent, cabinet-mounted microwave, and active radon mitigation for added peace of mind.
