Meet the **Galileo** — a bright, open-concept home designed for easy everyday living.

The main floor seamlessly connects the living, dining, and kitchen spaces, while the eat-in island and upgraded 8' sliding patio doors lead to a private side yard and patio — perfect for morning coffee or relaxed evenings outdoors.

Upstairs, the spacious primary suite offers a walk-in closet, dual-sink vanity, and a beautifully tiled walk-in shower. Two additional bedrooms, a full bath, **loft**, and convenient laundry room provide flexibility for guests, hobbies, or work-from-home needs. A **full unfinished basement** adds storage and future potential, and the **oversized 2-car garage** offers extra room for bikes and gear.

This home features Chai Latte maple cabinetry, Miami Oro quartz countertops, matte black hardware and fixtures, vinyl plank flooring throughout the main areas, and upgraded carpet in the bedrooms. Finished with soft Drift of Mist walls, Alabaster trim, central A/C, added lighting, and a vaulted primary bedroom. The Craftsman-style exterior is enhanced with a thin brick accent and a Fireweed front door.

Photos are of a previously completed home, therefore, actual finishes may vary.
