The Edison Plan

The Edison plan features an open-concept main floor layout with living room, dining area, kitchen with eat-in center island, and patio doors that lead to a private side yard and patio. The second floor provides a restful master suite with walk-in closet and dual sink vanity, along with conveniently located laundry area, and two guest bedrooms and a full bath. The Edison also has an optional, full unfinished basement for storage and future expansion in addition to an oversized 2-car garage for toys and gear.
