The Morrison Plan

The Morrison is a spacious and versatile home designed with both comfort and functionality in mind. Featuring up to **5 bedrooms, 3.5 bathrooms, and a 2-car garage with tandem space**, this floorplan offers the flexibility modern families need.

Main Level

Step into an inviting foyer that opens to the bright and airy **great room**, seamlessly connected to the **kitchen** and **dining area**. The kitchen boasts an oversized island, walk-in pantry, and optional roll-out cabinets, perfect for family meals or entertaining. A covered patio extends your living space outdoors, while the **master suite** offers a private retreat with a spa-like bath, dual vanities, a walk-in shower, and an expansive closet. Two additional bedrooms and a shared bath complete this level, along with a powder bath, laundry, and a convenient owner's entry from the garage.

Finished Basement Option

The finished basement transforms the lower level into an entertainer's dream with a large **recreation room**,
