The Twain Plan

The **Twain** offers a thoughtfully designed two-story layout with flexible living spaces and an optional finished basement.

The first floor features an inviting **foyer** that opens to a spacious **living room** and **dining area**, anchored by a central **kitchen** with a large island and pantry. A **flex/office space** near the front porch provides a perfect spot for work or hobbies, while the **powder bath** and convenient **owner's entry** from the attached **2-car garage** add functionality. Optional features include a **fireplace** in the living area and an **extended patio** for outdoor entertaining.

Upstairs, you'll find four bedrooms plus a versatile **loft**. The **primary suite** includes a generous **walk-in closet** and a **bathroom** with dual sinks and separate shower. Three additional bedrooms share a full bath, while the **second-floor laundry** makes everyday living more efficient.
