Introducing the **Magnolia** — a charming, easy-living home designed for comfort and connection.

On the main floor, you'll find a bright living and dining space, a well-appointed kitchen, and a private fenced backyard — perfect for relaxing, entertaining, or letting your pup enjoy the outdoors. Access to the grassy cottage common areas offers even more room to unwind and meet your neighbors.

Upstairs, two spacious bedrooms each feature their own en suite full bathroom, creating ideal privacy for guests, roommates, or a flexible work-from-home setup.

This home includes a move-in ready stainless appliance package with refrigerator, plus a washer and dryer. Interior finishes showcase Concord maple cabinetry in Java, Blanco Maple quartz countertops, Shaw Revere vinyl plank flooring, and soft Oatmeal carpet. Thoughtful upgrades include a kitchen tile backsplash, added puck lighting, ceiling fan prewires, Alabaster walls and trim, an oversized 2-car on-lot garage, and a walk-in shower in the primary bath.
