The Morrison is a spacious and versatile home designed with both comfort and functionality in mind. Featuring up to **3 bedrooms, 2.5 bathrooms, unfinished basement, and a 2-car garage with tandem space**, this floorplan offers the flexibility modern families need.

## Main Level

Step into an inviting foyer that opens to the bright and airy **great room**, seamlessly connected to the **kitchen** and **dining area**. The kitchen boasts an oversized island, walk-in pantry, and optional roll-out cabinets, perfect for family meals or entertaining. A covered patio extends your living space outdoors, while the **master suite** offers a private retreat with a spa-like bath, dual vanities, a walk-in shower, and an expansive closet. Two additional bedrooms and a shared bath complete this level, along with a powder bath, laundry, and a convenient owner's entry from the garage.

The unfinished basement provides **1,296 square feet** of flexible space ready for your vision—whether that's a home gym, media room, or hobby space.

This beautifully designed home showcases vaulted ceilings in both the dining area and owner's suite, paired with a chef's delight induction appliance package for effortless everyday living. Biscotti cabinetry is complemented by Marina Dekton countertops, warm gray picket backsplash, and undermount sinks, while Spalted Maple LVP, Sterling carpet, and Pearl LVT in the baths and laundry create a cohesive, modern flow throughout. Pearl Naïve 3x12 tile in the shower, satin nickel door hardware, and soft Drift of Mist walls complete the interior with refined detail, all wrapped in a striking exterior of Urbane Bronze, Cascade Green, and White with Cottonwood stone accents and a bold Salty Dog front door.
