Introducing the *ALL NEW* Morrison — a spacious and versatile home designed for modern living. Featuring 3 bedrooms, 2.5 bathrooms, an unfinished basement, and a 2-car garage with tandem storage space, this thoughtfully designed floorplan offers the perfect balance of comfort and functionality.

The open-concept main level features a bright great room, oversized kitchen island, walk-in pantry, and vaulted ceilings in both the dining area and owner's suite. The private primary retreat includes dual vanities, a walk-in shower, and a large walk-in closet, while the covered patio extends your living space outdoors. An unfinished 1,296 SF basement provides endless possibilities for future expansion, recreation, or storage.

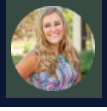

This home is beautifully finished with Biscotti cabinetry, Marina Dekton countertops, warm gray picket backsplash, Spalted Maple LVP flooring, Sterling carpet, satin nickel hardware, Drift of Mist wall paint, and a striking exterior featuring Urbane Bronze, Cascade Green, Cottonwood stone accents, and a bold Salty Dog front door.

Photos are from actual home and finishes, with some virtually staged images for visual reference.
