The Christie is a beautifully designed **ranch-style** home that blends open-concept living with thoughtful functionality, offering everything you need on one convenient level—plus a finished basement for even more space!

Step through the welcoming foyer into a bright and spacious layout. The heart of the home features an open kitchen, dining, and living area, perfect for entertaining or cozy nights in. A sliding door opens to a patio for year-round outdoor living.

The primary suite is tucked at the rear of the home for privacy, complete with a large walk-in closet and a spa-inspired bathroom featuring dual sinks and a walk-in shower. A secondary bedroom with adjacent full bath at the front of the home provides comfort for guests or family. Everyday convenience is built in with a laundry room just off the **3-car garage**, plus extra pantry and storage space.

Finished Basement

The finished basement adds two additional bedrooms with closets, a full bath, and a generous recreation room—ideal for a home theater, gym, or game space.

This home will be completed with 8' garage doors, a covered patio, 8' entry and sliding doors, and a vaulted master suite. Interior highlights include extra windows in the living room, a gourmet chef induction appliance package, wet bar with mini fridge, eucalyptus cabinets, stainless steel plumbing fixtures and hardware, Desert Silver quartz in the kitchen and bathrooms, Blanco Maple quartz on the wet bar, Tree Bark carpet, Moonstone LVP, Geoscapes white 4x16 kitchen backsplash, white 4x16 master shower, and Drift of Mist walls.
