The **Twain** floorplan is designed for spacious, comfortable living with thoughtfully defined areas for work, gathering, and relaxation. A welcoming foyer leads to a front office—ideal for working from home or homework time—before opening into a generous kitchen, dining, and living space made for entertaining and everyday life.

Upstairs, the home features **four spacious bedrooms**, a conveniently located second-floor laundry room, and an expansive **loft** that offers flexible space for play, media, or a second living area. The private primary suite provides a relaxing retreat with a vaulted ceiling, walk-in closet, and spa-inspired bathroom.

This home includes a **full unfinished basement**, offering excellent storage and future expansion potential, along with a **3-car garage** with 8-foot doors and a covered patio for outdoor enjoyment.

Interior finishes include a gourmet chef induction appliance package, Chai Latte shaker cabinets with gold pulls, Siberian Frost quartz throughout, white herringbone backsplash, black plumbing fixtures and hardware, and an electric fireplace with stone surround. Additional highlights are Sand carpet, Wild Dunes LVP in the office, contemporary stained handrail, built-in bench with cubbies, white 4x16 master shower, and Drift of Mist walls.
