The Willow Plan

The **Willow** is a thoughtfully designed **paired cottage floorplan** that offers a generous layout ideal for everyday living, hosting, and growing households—all with the added convenience of a **main-floor primary suite.**

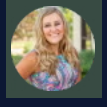

Featuring **four bedrooms and three baths**, this home provides flexible space for families of all types, guests, or work-from-home needs. Open-concept gathering areas create a natural flow for daily life, while the main-floor primary suite delivers comfort and ease where it matters most.

Step outside to your own fully fenced private backyard—perfect for relaxing, entertaining, or enjoying fresh air with your pup. Nearby grassy cottage common areas offer additional space to spread out, connect with neighbors, and enjoy casual picnics surrounded by nature.

The Willow blends thoughtful design, low-maintenance living, and an inviting cottage lifestyle—making it easy to feel right at home.
